"Welcome to a Smart NEW Community Rewards Program"

There are millions of reasons to join this great community program either to be personally rewarded with one of the most generous points based shopping programs or to support the community.

The choice is yours, collect points for you to spend in our rewards showcase located in the store or to donate your points which will be converted to cash and join with the thousands of locals that have generated money for worthy local schools, hospitals, volunteer emergency groups and a wide range of community organisations desperate for cash to maintain their services.

\$1.35 Million

IN DONATIONS TO 2015

MICHAEL'S SUPA IGA
The Community Supermarket

**"Shop locally and you will help
us support our community"**

There are thousands of local families shopping at Michael's SUPA IGA donating points to this program and making a real difference in fundraising in our community. There are also many more thousands of local families that collect points that could donate them to the community if they are persuaded to support one of the great causes.

How the program works, "Why you must scan your tag"

Customers that sign up to our program receive a bar coded key tag that "must be scanned at the checkout each time they shop in any of Michaels Supa IGA supermarkets or liquor stores so points can be allocated".

Customers have choose to allocate their points to a community group or collect personal prizes for those points.

Community groups that are nominated by the customers to receive these points will receive 1cent for each point at the end of each financial year. The average shopper spending \$100 per week will as a result of this process earn for their community group approximately \$50 per year and 100 supporters could equate to around \$5000 .

The whole program is reliant on customers scanning their Tag and then donating points.

***Earn Bonus Points for each
item purchased when you
see these tickets!***

Help our community groups with their fundraising at our community day events.

There are many regular fundraising sausage sizzles and raffle ticket tables at Michael's Supa IGA.

These Community Days are designed to allow our registered community groups a chance to talk to customers, and ask for point donations to their cause.

Using our community donation coupons, provided to all community groups for these days, groups can raise up to \$500 in one day if they are prepared to support the day and simply ask our customers.

With millions of points held by our customers, every one of these community days sees donations of points going to the community group running the day.

Please support the great work of our many community groups, pick up a BBQ Sausage or a raffle ticket and consider donating some or all of your points to their cause.

More ways to help our community

The Michael's Supa IGA Community Fund was established to cater for various ongoing funding in the community. Initially it was for the 2004 Indonesian Tsunami appeal, then the devastating local drought, Bushfire and 2011 Flood Appeals.

Today the fund generates cash for our Community Grants.
